

Investing for Success

Under this agreement for 2022
Calliope State High School will receive

\$150 195*

This funding will be used to

1. Improve our A-C results in
 - Maths
 - English
 - Science
2. Reduce our suspension rate term by term by 15%

Our initiatives include

- Build our inclusive classrooms of diverse learners through our evidence informed practice use of instructional cycles
- Embed the phases of moderation in our teaching practice by continuing to build teacher capability to impact the student and assessment cycle
- Build our case management systems to improve student engagement with a focus on students with a disability

Our school will improve student outcomes by

Target professional development for the co-instructional coaching cycles	\$12 240
Evidence based books for professional reading in the areas of inclusion and leadership	\$10 641
Resourcing for inclusive classrooms focusing on ICT and physical learning environments	\$14 550
Systematic student management and engagement through additional physical resources	\$112 764
TOTAL	\$150 195
